

5. PROGRESS REPORT ON PROJECTS WITHIN THE YOUTH ADVOCACY PORTFOLIO

A report from the Youth Advocate provided an update on a number of youth activities and programmes including Youth and Cultural Development, the Youth Night Safety Centre, Youth Participation, Police/City Council Youth Work Project and Canterbury Youth Worker's Collective.

The Committee **decided** that a report be provided to the next meeting on the positive initiatives and the way forward for youth participation and that a report previously considered by the Committee be circulated to members.
