- Disagreed with the suggestion that the median on Fitzgerald Avenue at Worcester Street be closed.
- Requested a comprehensive traffic study from Colombo Street east to Burwood and Sumner.
- Sought similar City Plan traffic designations for Cashel, Hereford, Worcester, Gloucester and Armagh Streets.
- Opposed the closure of Worcester Street at Latimer Square.
- Wanted a comprehensive design to be developed for the length of Worcester Street east of Cathedral Square to Linwood Avenue.
- Wanted the bollards in Worcester Street between Manchester Street and Latimer Square to be replaced with kerbing.

The Board's decision relating to the Linwood Avenue/Worcester Street intersection is recorded in clause 12 of this report.
