

8. LESLIE STREET (CHURCH CORNER) CAR PARK

The Parking Operations Manager sought the support of the Board for consultation to be carried out with commercial property owners and business owners in the immediate vicinity of what is known as the Leslie Street car park, situated at Church Corner, with the aim of determining the level of support for formalising a time-limit parking restriction in one of the Council owned portions of this car park.

The Board **decided:**

1. To support consultation with property owners and businesses adjacent to the Leslie Street car park to determine the level of support for imposing a time-limit parking restriction within the Council owned portion of the car park encompassed by Lots 1 (DP 8267) and 18 (DP 201).
2. To request the Property Unit to prepare a report on the proposal to investigate the disposal of this Council-owned land as a way of overcoming the concerns regarding long-term parking.
