

7. SHIRLEY RESEARCH UPDATE

The Board **received** a report on the progress in relation to recommendations made in the Shirley research (“It’s a Lot of Little Things Happening That Will Make the Difference”).

The Board **decided**:

1. To invite representatives of the Canterbury Development Corporation to a seminar meeting to discuss how the Board can work with the Canterbury Development Corporation to support small business development.
2. To request staff to provide an update in relation to traffic matters identified in the research.
