

24. **SPRINGFIELD/EDGEWARE INTERSECTION : PROPOSED TRAFFIC LIGHTS**

The Board considered a report on a proposed mid-block signalised pedestrian crossing facility for the partially sighted in Springfield Road between Ranfurly Street and Edgeware Road.

The Board **resolved** that:

1. Concept Plan TP147903 of the proposed signalised pedestrian facility for partially sighted people in Springfield Road between Ranfurly Street and Edgeware Road and the rationalisation of the bus stops in Springfield Road between Eversleigh Street and Kinloch Street be approved for distribution and consultation.
2. The residents be advised of the No-Stopping restrictions to be installed on both sides of Springfield Road north and south of the Edgeware Road intersection.

Anne Carroll requested that her vote against the above resolution be recorded.
