

13. COLOMBO STREET – TRAFFIC CONTROLS

The Board's approval was sought to install "give way" controls against Cass Street, Elgin Street and Stanley Street at their intersections with Colombo Street.

The Board **resolved**:

1. That a "give way" control be installed against Cass Street at Colombo Street.
2. That a "give way" control be installed against Elgin Street at Colombo Street.
3. That a "give way" control be installed against Stanley Street at Colombo Street.
