

3. HOLLISS AVENUE – REPAIR AND POSSIBLE ROAD LEGALISATION

The Board considered a report informing it of the various options available to the Council in relation to land at the end of Holliss Avenue, and its support was sought regarding recommendations to be made to the Council's Annual Plan Subcommittee in regard to a preferred option.

The Board **recommended** that the Annual Plan Subcommittee support the inclusion, on a pro forma basis, of option 4 or 5 in the draft Annual Plan.

It was noted that Barry Corbett took no part in the discussion or decision-making relating to this item.
