

7. LICHFIELD/TUAM STREETS SWAP - MEMBERSHIP OF WORKING PARTY

The Committee **received** a report informing it of the composition of the Working Party approved by the Council 21 November 2002 to conduct a transport review of streets between Hereford Street and Moorhouse Avenue and address transport planning within the four avenues as a parallel process to this. The report provided details of the representatives nominated by the organisations in the Working Party as resolved by Council and in addition sought approval to the appointment of Mr Peter Guthrey and Mr John Suckling as an additional two representatives of central city businesses, subject to their agreement.
