

## 2. REPORT ON URBAN GROWTH ENVIRONMENT COURT DECISIONS

A report by the Team Leader, City Plan provided details of significant recent decisions of the Environment Court on urban growth.

The Committee **decided** that reports be prepared on:

1. What changes to planning policy are needed to ensure better achievement of the key city plan objective of urban consolidation.
2. The scope for strengthening the regional policy statement as a means of ensuring a coherent approach to growth management.
3. Reconsidering the whole transitional aspect of the Urban/Rural interface.
4. Investigate options of how the Council would proceed to instigate comprehensive developments, having regard to the issues raised in clause 6 of the report.
