

4. DEPUTATIONS BY APPOINTMENT

YWCA

Margaret Arnold and Vivienne Long from the YWCA, Christchurch, addressed the Committee about issues affecting young women, including accommodation, funding support, and rehabilitation. A letter addressed to the Property Manager, dated 10 December 2002, with an attachment (Accountability Report to Twigger Collective via Public Trust - December 2002), was tabled.

It was agreed by consensus:

1. That the Property Manager and the YWCA continue to work through the issues raised by the presenters regarding the facility leased from the Council.
2. That the community review of funding will provide an opportunity for the YWCA, in conjunction with the Council's Social and Economic Policy Analyst, to submit funding issues for further consideration.

The information was **received**.
