

1. DEPUTATIONS BY APPOINTMENT

1.1 Heaton Street – Entrance to St Georges' Hospital

Submissions were presented by Messrs David Lynch and Antony Gough on behalf of the Heaton Street Residents' Association expressing opposition to the intention to place no stopping controls in Heaton Street in the vicinity of the new entranceway to St Georges' Hospital.

The Board was asked to defer making a decision pending the completion of wider consultation and an assessment of the consequences for traffic movements in this particular section of Heaton Street.

The submitters indicated a willingness to work closely with the Board in addressing these matters.

The Chairman thanked the submitters for their presentation.

The Board's decisions on the submissions made and the requested no stopping restriction are detailed in clauses 3 (Part B) and 13 (Part C) of this report.
