

## **14. WORKS TRAFFIC AND ENVIRONMENT COMMITTEE - REPORT OF 15 APRIL 2003 (Cont'd)**

Further to clause 4 (Part B) of this report, the Board also **resolved** on the following tree and Styx River Development related matters.

### **14.1 TREE ISSUES – SITE VISITS**

#### **Millbrook Reserve – Sycamore Tree**

That the Sycamore Tree on the Millbrook Reserve be removed.

#### **14 Heathfield Avenue – Plane Street Tree**

That consent be given for the removal of the Plane tree located outside 14 Heathfield Avenue subject to the applicant bearing the costs of removal and replacement planting with a large nursery stock tree.

#### **58 Hamilton Avenue – Plane Street Tree**

That consent be given for the removal of the Plane tree located outside 58 Hamilton Avenue subject to the applicant bearing the costs of removal and replacement planting with a large nursery stock tree.

#### **4 Derwent Street**

That retrospective approval be given for the relocation of the existing street tree outside 4 Derwent Street subject to the property owner being responsible for looking after the tree including its replacement if required, in the future.

### **14.2 STYX RIVER DEVELOPMENT DOWNSTREAM FROM HAREWOOD ROAD**

1. That the proposed planting and path construction for the esplanade reserve adjacent to the Teear and Chilvers developments along with the proposed seating area and art works associated with the Donnithorne development, be approved.
2. That Beech, Kauri and Rimu species be included in the planting plan.
