

8. PROPOSED NEW ROAD NAME

The Environment Services Manager sought the approval of the Board for the naming of a new road in an industrial subdivision off Shands Road, Hornby.

The new subdivision is on land near to the existing Wattie site, a longstanding commercial operation on Shands Road.

The applicant company wished to recognise the achievements of Sir James Wattie. Approval to use his name has been obtained.

The Board **resolved** to approve the name "Sir James Wattie Drive" for the new road in the industrial subdivision (the applicant company being Shands Road Industrial Park Limited).
