

### 13. GREERS ROAD - PROPOSED KERB AND CHANNEL RENEWAL

The Board considered a report from the City Streets Manager advising the Fendalton/Waimairi and Shirley/Papanui Community Boards on the outcome of the consultation regarding this project and seeking the comments of the two Boards, prior to consideration of the final plan by the Sustainable Transport and Utilities Committee.

The Board **decided** to recommend to the Sustainable Transport and Utilities Committee that the proposed kerb and channel and associated works in Greers Road be approved for construction.
