

## 19. STYX MILL CONSERVATION RESERVE

The Board considered a report from the Parks and Waterways Manager outlining the long term vision for Styx Mill Conservation Reserve and seeking approval for its implementation as funds become available.

The Board **decided:**

1. That the Shirley/Papanui Community Board support the long term vision for Styx Mill Conservation Reserve.
2. That representatives of the Shirley/Papanui Community Board work with Council officers, dog owners and the Council working party in the identification and development of alternative site(s) for the dog park currently located at Styx Mill Conservation Park.
3. That the development of the reserve be staged according to available funds.
4. That a range of funding sources be investigated.
