

11. SUPPLEMENTARY ITEMS

The Chair sought the approval of the Committee to introduce supplementary reports on the following topics:

- Report From Christchurch City Holdings Limited
- Produce Market – Variation of Licence Agreement

The reports had been circulated to the Committee prior to the meeting. The reasons the reports were not included on the main agenda and why they could not wait for the next meeting of the Committee were set out in an accompanying memorandum.

It was **resolved** that the reports be received for consideration at the present meeting.
