BUS SERVICE REVIEW

Matthew Noon, Environment Canterbury, was in attendance to provide feedback on the performance of public transport in the Burwood/Pegasus area and introduce the North East Christchurch bus service review. He provided patronage figures demonstrating the increase in use of public transport following previous service reviews. Environment Canterbury is initiating consultation to identify possible service improvements in the following routes: 40 Wainoni, 41 Horseshoe Lake, 42 Avondale, 43 Burwood, 46 Shirley, 49 Northshore, 60 Parklands and 70 Queenspark.

The Board **decided** that Board members forward any comments on the North East Christchurch bus service review to the Community Secretary by 7 November 2003 for collation in a submission.
