

3. CENTRAL CITY TREE STRATEGY

The Board considered a report on a strategy for tree planting in the central city.

The Board **decided**:

1. To support the further development of a central city green streets strategy.
2. To recommend that the strategy be given an increased budget.
3. To seek urgent legal clarification of:
 - 3.1 The Board's delegations in relation to the central city;
 - 3.2 A definition of the Central City Mayoral Forum; and
 - 3.3 The Central City Mayoral Forum's relationship with the Board.
