

9. STRUCTURE ON STREET APPLICATION: ARANONI TRACK

The Board considered a report seeking its approval for the construction of a cableway base station on Nayland Street.

The Board **resolved** to approve the construction of the cableway base station solely on legal road as shown on the plan subject to:

1. A deed of licence being entered into with the Council.
2. Resource and building consents being obtained.
3. The road frontage being kept tidy and safe for all road users at the time of construction.
4. The physical work being carried out within six months of approval.
5. The colours of the cableway base station blending into the environment.
