

## 9. SUPPLEMENTARY ITEMS

The Chair sought the approval of the Committee to introduce supplementary reports on the following topics:

- Turners and Growers Site Redevelopment – Evaluation of Registrations of Interest (Public Excluded)
- City Outfall Drain – Purchase of Land (Public Excluded)

The reports had been circulated to the Committee prior to the meeting. The reasons why the reports were not included in the public excluded agenda and why they could not wait for the next meeting of the Committee were explained to the Committee in an accompanying memorandum.

It was **resolved** that the reports be received for consideration at the present meeting.
