

## 17. TUCKERS ROAD

The Board considered a report seeking the appointment of two Board representatives on the Tuckers Road Project Team, and seeking approval of the process and the launch of the "Tuckers Road – Your Road - Your choice" leaflet.

The Board **resolved**:

1. To support the proposed "charrette" process for the Tuckers Road project.
2. That Myra Barry and Yvonne Palmer be appointed to the Tuckers Road design team, and that other Board members be encouraged to attend meetings of the design team.
3. That the publicity leaflet be approved, and that it be distributed within the area described in the report.
