

11. FIFIELD TERRACE : PROPOSED IMPROVEMENTS

The Board's approval was sought to proceed with construction of the proposed works to improve traffic safety in Fifield Terrace between Ensors Road and Beckford Road.

Some members questioned the need for a road hump to be installed on Fifield Terrace, near to its intersection with Ensors Road.

The Board **resolved** that the Fifield Terrace work be approved, with the deletion of the road hump.

(Phil Clearwater asked that his vote against this amended decision be recorded.)
