

## 10. CHRISTCHURCH ROAD SAFETY COORDINATING COMMITTEE - ANNUAL REPORT

The Committee considered and discussed the Annual Road Safety Report for the period 2002/03 for the Christchurch Road Safety Coordinating Committee. The opportunity was taken to discuss this in detail and Ms Susan Cambridge (Road Safety Coordinator) attended and replied to questions from members.

The Committee requested that a report be brought back to it for its consideration on ways in which the Council might promote a change in the relevant legislation to enhance and support pedestrian safety. In addition the Christchurch Road Safety Coordinating Committee was asked to further investigate the provision of a pre-paid taxi voucher scheme, as part of the CAAP programme, for inclusion in the 2004/05 Annual Plan.

The Committee **received** the information.
