

## 8. DEPUTATIONS BY APPOINTMENT

### **Mr Matthew Noon, Environment Canterbury**

Mr Noon attended and addressed the Committee in respect of clause 7 of the agenda relating to the North-East Christchurch bus service review. In addition he also provided information on the proposed West and South-East services review, which is currently being consulted on by Environment Canterbury, and updated members on the new routes being provided following on from the review of services in the North-West of the city.

Information relating to the North-East bus service review was then provided and discussed in association with the report contained in the agenda.
