

8. AVON RIVER BRIDGE LIGHTING PROJECT

A report from the Project Manger, City Solutions updated the work being done on the lighting of bridges on the Avon River.

The Committee **decided**:

1. To approve the proposed programme for the upgrade of lighting on the Avon River bridges.
2. To approve the negotiating of a cost sharing agreement between Orion New Zealand Limited and the Christchurch City Council for the lighting upgrade of the Armagh Street bridge.
3. That the Project Manager submit a report to the Committee as part of the budgetary process, for accelerating the bridge lighting project.
