

9. CREATIVE INDUSTRIES UPDATE REPORT - OCTOBER 2003

A report from the Project Coordinator, Canterbury Development Corporation provided an update on Creative Industries projects covering the sectors of:

- Fashion design and outdoor apparel,
- Science and technology,
- Film,

as well as details of progress on the development of a Creative Industries Strategy.

The Committee **decided**:

1. To receive the information.
2. That a scoping report on the Creative Industries Strategy development be brought back to the next meeting of the Committee.
3. That the project coordinator Canterbury Development Corporation approach the Director of Information and Planning as to the staff of both organisations scoping out the strategy, including its staging and timeframe.
