

## 6. CANTERBURY SPORTS MANAGEMENT COLLEGE

The Assets and Business Adviser provided the Board with additional information in respect to the Canterbury Sports Management College proposal to develop on land at QEII Park. The Board **decided** to recommend to the Community and Leisure Committee:

1. That the proposal for a sports management college be abandoned on the basis that it is not a priority use for this recreational area.
2. That the Committee ensure the long-term concept plan for QEII includes the recent changes and current proposals.
3. That an assessment be made of the ratio of built development to open space at the QEII site.
4. That the Board and local residents be involved in preparation of the long-term concept plan for QEII.
5. That protection of the Ascot Green land adjacent to QEII be considered, including possible transfer under the Reserves Act 1977.
6. That the Leisure Unit staff liaise with the college on its future use of the QEII facility.
7. That the Board Chairperson be granted speaking rights at the Community and Leisure Committee.
