

7. QEII ICE STADIUM TRUST PROPOSAL

The Assets and Business Adviser sought the Board's support to proceed with the proposal to develop an Ice Arena adjacent to QEII Park. The Board **decided** to recommend to the Community and Leisure Committee:

1. That the QEII Ice Stadium Trust Proposal be put out via a special consultation process to seek community comment.
2. That the outcomes from the consultation be reported back to the Board and the Community and Leisure Committee.
