

8. EVIDENCE BY THE CHAIRMAN OF THE CANTERBURY JOINT STANDING COMMITTEE TO THE ENVIRONMENT COURT: KATE VALLEY LANDFILL

The Subcommittee considered a brief report from Zefanja Potgieter, seeking approval for the Chairman of the Canterbury Joint Standing Committee (CJSC) to deliver evidence at the Environment Court hearing on the Kate Valley Regional Landfill.

A copy of the Chairman's Statement of Evidence included in the agenda, had been previously circulated to members for agreement and feedback from shareholder Councils had been included within the Statement.

The Subcommittee **resolved** to authorise the Chairman to present the Statement of Evidence at the Environment Court hearing on the Kate Valley Regional Landfill.
