

6. DEPUTATION BY APPOINTMENT

BURWOOD/PEGASUS COMMUNITY BOARD

Don Rowlands, Chairperson, Burwood/Pegasus Community Board, was in attendance to discuss the Canterbury Sports Management College proposal. The Board realises that although it is a metropolitan park the Board still takes a strong interest in it. The Board is supportive of a consultation process for the proposal for an ice stadium at QEII but opposes the Canterbury Sports Management College proposal and does not see it as a priority use for QEII. The Board also considered that an assessment should be made of the ratio of built development to open space at the QEII site and advocated that protection of the Ascot Green land adjacent to QEII be considered including possible transfer under the Reserves Act 1977.

The Board would welcome further involvement with any consultation processes for QEII.
