

## 11. AVON LOOP

The Board considered a report on issues relating to the Avon Loop area.

The Board received the information and **resolved**:

1. That the Board discuss the proposal with Mr Sibley and that Mr Sibley be approached to contribute approximately \$66,000 to enable the proposal to proceed.
2. That the Board acknowledge the potential cost implications of heritage lighting in the remainder of the Avon Loop area.
3. That no further alterations be carried out in the southern end of Bangor Street until significant changes have occurred in the land use alongside.
4. That the budgeted works in Rees Street and Willow Street proceed as scheduled to enable the programmed Avon Loop works to be completed.
5. That any wider issues arising from the consultation process on Rees Street and Willow Street be reported back to the Board for further consideration.
6. That the traffic island in Oxford Terrace immediately west of Bangor Street be removed.
