

## 2. CANNON HILL CRESCENT: STREET TREES

The Board considered a report requesting the Board's support for thinning of Pohutukawa trees on Council land on Cannon Hill Crescent. (Refer also to clause 7.)

The Board **decided**:

1. That the branch structure of all Pohutukawas on Council land on Cannon Hill Crescent be thinned up to a maximum of two thirds, except for the Pohutukawas outside the two properties where the owners have requested that the status quo remain.
2. That the situation concerning the Pohutukawas be reviewed after the thinning has occurred.
