

1. CORRESPONDENCE – REDCLIFFS RESIDENTS’ ASSOCIATION

The Board considered a letter from Malcolm Moore, Secretary-Treasurer of the Redcliffs Residents’ Association, requesting that the Board arrange for up to six banners to be erected on street poles in the Redcliffs business area.

The Board **decided**:

1. To approve in principle the installation of banners on street poles in the Redcliffs area.
2. That before any final decision is made on the installation of banners in the Redcliffs area, to obtain a report on:
 - (a) any technical issues that require consideration when installing banners on street poles; and
 - (b) any other groups within the Hagley and Ferrymead wards that have also requested that banners be installed on street poles.
