

7. DEPUTATION BY APPOINTMENT: GEORGE ROSS

George Ross (resident of Cannon Hill Crescent) addressed the Board regarding Pohutukawas on Council land on Cannon Hill Crescent. Mr Ross stated that he supported the Parks and Waterways Area Advocate's report on street trees on Cannon Hill Crescent (refer clause 2). However he would like the report taken further in some instances. In particular, the report could be extended to recommend the removal of one or two trees. Mr Ross expressed the opinion that trees should not take precedence over residents' views.
