

12. NORTHCOTE ROAD – PROPOSED TRAFFIC SAFETY IMPROVEMENTS AND CYCLE LANES

The Board received a report regarding the concept plans for the improvement of pedestrian, cycle and vehicle safety movements in Northcote Road from Greers Road to Uxbridge Street.

The Board **decided:**

1. That the project be recommended for construction to the Sustainable Transport and Utilities Committee, as shown on Plans TP152801 and TP152802.
2. To continue its advocacy role with City Streets for the upgrade of Northcote Road and the signalisation of the Sawyers Arms Road/Northcote Road/Greers Road intersection.
