

11. SYDENHAM PARK – RESULTS OF REQUEST FOR PROPOSALS FOR USE OF FORMER TENNIS COURTS AREA

The Board considered a summary of proposals received for the future use of the tennis court area at Sydenham Park and its preference was sought regarding a preferred option(s) for further negotiation.

It was **resolved**:

1. That the Board thank the organisations for their proposals.
2. That the Board support in principle the Sydenham pavilion proposal received from the Sydenham Hockey and Cricket Clubs.
3. That officers work with the proponents of the Sydenham Pavilion proposal to develop the details and further progress the project, and report a lease proposal back to the Board for its consideration.
