

11. RECOVERED MATERIALS FOUNDATION - PRESENTATION ON KERBSIDE PROMOTION BUDGET

Mr Richard Lloyd, CEO, Recovered Materials Foundation attended and updated members on the kerbside promotion budget and plan for the 2003/04 year. Details of the objectives and planned activities were provided together with specific information on:

- Increase in public awareness programmes,
- Rewarding best practices in recycling and encouraging ideas,
- Coordination and communication with other groups and agencies,

and the opportunity was taken for members to discuss the presentation and to ask questions.

The Committee **received** the information.
