

6. GENERAL BUSINESS

6.1 The Urban Design Protocol

Janet Reeves, Urban Design and Heritage Team Leader tabled details of an initiative from the Government's Sustainable Development Programme of Action to improve the quality of urban design in New Zealand as a national priority.

The Committee **decided** that the proposed protocol should be the subject of a seminar at its next meeting on 29 October 2003.

6.2 Webmap2 Demonstration

The Committee was provided with a demonstration of the Council's Webmap 2 land information database operations by Kaye Allison, Customer Advocate.
