

4. URBAN DEVELOPMENT STRATEGY - DISCUSSION WITH ADJOINING COUNCILS

A report from the Strategy and Policy Team Leader:

1. Updated the Committee on progress to date on staff discussions with adjoining territorial local authorities and Environment Canterbury regarding the proposed Urban Development Strategy, and
2. Sought the Committee's support in encouraging members of the Committee to attend presentations on the proposed Urban Development Strategy at meetings with adjoining territorial local authorities and Environment Canterbury.

The Committee **decided** to support the presentations to adjoining Councils regarding the proposed Urban Development Strategy and that as many members of the Committee as possible attend each of the presentations.
