

## 6. RESIDENTS' ASSOCIATIONS

### WAITIKIRI RESIDENTS' GROUP

**Ross Clapp and Julian and Colleen Barrett**, from the Waitikiri Residents' Group, were in attendance as part of the Board's rotation programme of inviting residents' groups to provide an update on their activities. The Board **decided**:

1. That the City Water and Waste Unit be asked to brief the Waitikiri Residents' Group on the Biosolids Demonstration Area proposal for Bottle Lake Forest Park.
2. That the Board hold a site meeting with the Waitikiri Residents' Group to discuss concerns raised about the roundabout and traffic calming in Waitikiri Drive.
