#### COMMUNITY CONSTABLES

A letter was received from Hon Lianne Dalziel MP, referring a response from the Minister of Police to an enquiry about the availability of community constables. Board members also noted that Inspector Brian McGurk, who had served the New Brighton area for ten years, was transferring to Nelson. The Board **decided**:

1. That the information be received.
2. That the Board present a Certificate of Appreciation to Inspector Brian McGurk in recognition of his contribution to the community during his service with the New Brighton Police.
