

5. SECOND PILOT OF GO SMARTER COMMUNITY PROJECT

The Promotions and Education Adviser provided the Board with background information on the Go Smarter community project and explained why the Avondale area had been identified as the second residential area in Christchurch to receive the programme commencing in September 2003. The Board **decided**:

1. That the Board support the Go Smarter personalised journey planning programme being undertaken in the Avondale area from September 2003 through to October 2004.
2. That the Board select Alister James to be included on the stakeholder steering team for the Go Smarter programme in Avondale.
