

1. DEPUTATIONS BY APPOINTMENT

1.1 MERIVALE PRECINCT SOCIETY – RE LEINSTER HOUSE

Gina Williamson, Chairperson of the Merivale Precinct Society and Trevor Lord of the Vintage Homes Group, presented submissions urging the retention of Leinster House which was currently the subject of a resource consent application to relocate the building to a property at McLeans Island.

A number of questions were asked of the deputation and members acknowledged that the current planning process would need to follow its course, albeit that dialogue aimed at retaining the building on site should still continue to occur with relevant parties.

The Chairman thanked the deputation for its submission.
