

2. WAIRAKEI ROAD – PROPOSED SAFETY IMPROVEMENTS

Further to a report from the Project Consultation Leader, City Streets Unit, regarding concept plans for a right turn bay with associated works at Breens Road and a pedestrian island in Wairakei Road between Farrington and Kendal Avenues, the Board **decided**:

1. That the concept plans for Wairakei Road be approved for consultation.
2. That details of the cycleways programme for the Fendalton/Waimairi area be reported to the Board via the Works, Traffic and Environment Committee.
