

## 9. CRANLEY STREET PEDESTRIAN FACILITY

The Board considered a report seeking its approval to proceed to final design, tender and construction of a pedestrian facility in Cranley Street.

The Board **resolved**:

1. That the Royal NZ Foundation for the Blind and the Association of Blind Citizens of New Zealand Inc be consulted about the proposed pedestrian facility.
2. That the installation of a pedestrian facility in Cranley Street proceed to final design, tender and construction.
