

1. DEPUTATIONS BY APPOINTMENT

Mr David Renwick, a Director of Enterprise Homes Limited, was in attendance to discuss the proposed names submitted by the company for new streets in the company's residential subdivision off Dunbars Road.

The Board was in receipt of a letter from Mr Renwick which explained that the developers wished to carry on the garden theme as an acknowledgement of the extensive gardens that had been developed by the previous property owners.

A copy of the subdivision plan was received by the Board, which showed extensive open space plantings. Part of the existing gardens is also being retained as a large reserve within the subdivision.

Mr Renwick was thanked for his attendance and presentation. The Board's decision on the names is recorded in clause 7.
