

2. **RICCARTON/WIGRAM TRANSPORT AND ROADING COMMITTEE REPORT OF 15 AUGUST 2003 MEETING**

The Board considered the report of the Transport and Roding Committee meeting of Friday 15 August 2003.

The Committee received a deputation regarding the Nortons Road proposed traffic safety improvement project, and a further deputation regarding the Clyde Road kerb and channel renewal/traffic management project.

The Board **decided**:

1. That the Nortons Road project be approved for tender and construction.
2. That the Springs Road proposed safety improvements project be approved for community consultation.
3. That the Lochee Road safety improvement works proceed, this project having previously been approved by the Board in July 2003.
4. That the Cashmere Road/Hendersons Road proposed intersection improvements project be approved for community consultation.

The Board **received** reports on the Christchurch-Rolleston and Environs Transport Study, and project fund allocations, together with other monthly updates on traffic issues.
