

3. LIVING STREETS – INTRIGUE AND UNCERTAINTY TOUR – TUCKERS ROAD

The Board received a report from the Living Streets Advocate regarding the Intrigue and Uncertainty Tour and its implications for Tuckers Road. He advised that David Enwicht, the speaker for the event, was unable to attend during Neighbourhood Week but could come the following week. Board members asked that residents of other streets be invited to attend the event to hear about the new traffic calming concepts.

The Board **decided** to support the activities in Tuckers Road during the week 9–15 November 2003, and to assist with funding of activities.
