

12. HEREFORD STREET P5 LOADING ZONE

The Committee considered a report seeking approval for the installation of a "P5 Loading Zone" on the south side of Hereford Street just west of Manchester Street.

The report advised that there is a bus stop outside Cash Converters which is no longer required for timetabled routes and it is proposed to change the bus stop to a P5 Loading Zone.

The Committee **resolved**:

1. That the bus stop on the south side of Hereford Street commencing at a point seven metres from its intersection with Manchester Street and extending in a westerly direction of 16 metres be removed.
2. That a "Loading Zone Time Limit 5 Minutes" be created on the south side of Hereford Street commencing at a point seven metres from its intersection with Manchester Street and extending in a westerly direction for a distance of 16 metres.
