## **THE ART GALLERY BISTRO AND CAFE A UNIQUE LEASING OPPORTUNITY**

Operators are sought for the proposed Christchurch Art Gallery Bistro and Café, a major new civic icon currently under construction within the city.

The new Art Gallery is intended to be an important civic facility providing an area to display art both in terms of temporary and permanent exhibitions and to integrate with the social and cultural fabric of Christchurch.

The successful lessees will be operating a stylish facility situated at the prominent south west 'corner' of the building addressing both Worcester Boulevard and the Sculpture Garden. The Bistro and Café has been designed to provide wide views from the venue, and both indoor and outdoor dining on a raised terrace.
